“Since 1921, we have put down strong roots in the canton of Basel-Landschaft. It is both international and down-to-earth; workers here are well-trained and competent, and the natural surroundings are a major inspiration to us – all of which we very much appreciate.”

Michael Brenner, Chief Financial Officer, Weleda AG

Top universities and institutions for Life Sciences and related fields – especially the University of Basel, the Department of Biosystems Science and Engineering at ETH Zurich, the School of Life Sciences FHNW in Muttensz and the University Hospital Basel – and excellent vocational schools rooted in the economy.

**GETEC
